## Summer Term 2017 Newsletter

### WANTED!

All parents and carers know how much children enjoy exploring large cardboard boxes etc. Resources which inspire open-ended play allow children to express themselves freely and creatively without limitations. For example the large box may be a giant's slipper in the morning and a spaceship in the afternoon.

To support our children in their creative endeavors the Green Team would very much welcome and appreciate donations of:

- Clean junk modelling (boxes etc.)
- Milk bottle tops
- Sturdy wooden cable reels
- Small wooden pallets
- Any kind of fabric
- Wool
- Natural materials – e.g. pine cones
- Corks
- Extra large or extra small tyres
- Children's Wellies

Donations may be dropped off before or after school in the Green Area courtyard. Thank you so much for your support.

### MOVING ON UP

All the children in Green Area have now started preparing for their new classes in September. Nursery children are been encouraged to use the Reception area with support at selected times. Transition meetings will be held on 20th and 22<sup>nd</sup> June and transition days will follow later this term for children moving up to the Reception classes. Blue Area teachers will be joining our classes for story time in forthcoming weeks and Reception children will be visiting their new classrooms informally. During the last week of term the Reception children will spend time with their new teacher in their new classroom, trying some Year One taster activities – more information will follow.

### APP NEWS

If you haven't downloaded the Westfield App, please do try it. The App is free and it contains lots of news, regular updates and reminders about life at Westfield Primary Academy.
